RE: Petition of the Office of Regulatory Staff to Establish Dockets to Consider Implementing the Requirements of Section 1251 (Net Metering and Additional Standards) of the Energy Policy Act of 2005
Docket No. 2005-385-E

Dear Mr. Terreni:

The purpose of this letter is to inform the Public Service Commission of South Carolina ("Commission") that South Carolina Electric & Gas Company is in full compliance with Commission Order No. 2008-416 issued in the above-referenced docket. More specifically, the Company's net metering tariffs entitled "Rider to Time-of-Use Demand Rates 7 and 28 (Experimental), Net Metering for Renewable Energy Facilities" and "Rider to Rate PR-1 (Experimental), Net Metering for Renewable Energy Facilities" (collectively referred to as the "Net Metering Tariffs") and filed pursuant to Commission Order No. 2007-618, are available to the Company's customers. Furthermore, an explanation of SCE&G's Net Metering Tariffs is available on the Company's website at <http://www.sceg.com/en/residential-services/net-metering> and customer service personnel are available to answer questions concerning net metering.

If you have any questions or additional information is needed, please do not hesitate to contact us.

Very truly yours,

K. Chad Burgess
